

BASIC DISASTER LIFE SUPPORT (BDLS)

BDLS® is targeted to multiple disciplines including: emergency medical service (EMS) personnel, hazardous materials personnel, public health personnel, and health care providers. By teaching multiple disciplines simultaneously, a commonality of approach and language will develop, improving the care and coordination of response in WMD disaster and public health emergencies.

The course is presented via WebEx in 2 hour sessions (7-9 pm) for a total of four evenings, February 21, 23, 28, March 1. You must attend all 4 sessions to receive a certificate.
